EXPERIENCE GREEN WITH WESTIN

The Westin San Diego Gaslamp Quarter is committed to doing more to consume less and care for our planet. 30/20 by 20 is our promise for a 30% reduction in energy usage and a 20% reduction in water usage by 2020. Our sustainable meetings practices integrate environmental and social concerns into the meeting process to reduce the impact a meeting has on the environment and to encourage giving back to the community.

Paperless Meeting Planning

- ePlanner website introduces meeting planner to the hotel with meeting room diagrams, capacity charts and menus.
- StarGroups, Reservation Connection and Reservation Cross Check online systems help automate the rooming list process by eliminating manual entry and paper lists.
- e-folios, electronic master bills and post-meeting follow-up.

Sustainable Meeting Services

- Energy-efficient digital signage.
- Westin Clutter-Free Meeting set-up station provides double-sided meeting pads, pens and water.
- Water stations available as environmentally friendly alternatives to bottled water.
- In-house audio visual partner PSAV features ENERGY STAR rated equipment, flip charts made of 30% post-consumer recycled content paper and markers made of certified non-toxic water-based ink.
- Linenless tables available in select meeting rooms.

Indoor Air Quality

- 100% smoke free policy in the hotel.
- Live potted plants throughout the hotel and the Westin signature vertical garden in the lobby improve indoor air quality.

Energy & Water Conservation

- Westin modern design features eco-friendly materials such as recyclable carpet pads, low VOC finishes on furniture, and GREENGUARD certified solar shades in the guest rooms.
- High-efficiency lighting throughout the hotel includes compact fluorescent (CFL) and light emitting diodes (LED) as well as low wattage T-8 lamps in the heart of the house.
- Water-conserving fixtures in the guest rooms and public restrooms include 1.0 gpm aerators on faucets, 1.6 gpm toilets and 2.5 gpm shower heads.
- Guest room amenities and soap recycled through our partnership with Clean the World. Amenity bottles are made of recycled content plastic.
- Make a Green Choice program rewards guests for choosing to conserve natural resources in their guest rooms.
- Recycling containers located in each guest room and throughout meeting areas. Waste management program features an extensive recycling component.
- Eco-friendly cleaning products used by housekeeping, stewarding and our local laundry facility.
- Multi-million dollar investment in our central plant replaced and improved the energy efficiency of the hotel's heating and cooling systems.
